

Session Program

17 October 2008

Linear Collider physics/detector meeting

The meeting is meant as a wrap-up discussion meeting after the CLIC workshop, so there will not be any formal slide presentations.

CERN, 40/4-C01

Friday 17 October

14:00

The meeting is meant as a wrap-up discussion meeting after the CLIC workshop, so there will not be any formal slide presentations.

Session | Location: CERN, 40/4-C01

15:00

14:00-15:00

We propose the following subjects for discussion
