

Session Program

29 June 2009 to 3 July 2009

**EDS'09: 13th International Conference on
Elastic & Diffractive Scattering**

Hard Diffraction I

CERN, 503/1-001 - Council Chamber

Wednesday 1 July

08:30

Hard Diffraction I

Session | **Location:** CERN, 503/1-001 - Council Chamber

08:30-08:50

Analytic properties of DPE amplitudes

Speaker

Oleg Teryaev

08:50-09:10

Low-x Structure Functions using Discrete BFKL Pomerons

Speaker

Douglas Ross

09:10-09:30

Soft gluon resummation for gaps between jets

Speaker

Simone Marzani

09:30-10:00

CDF Results on Diffraction

Speaker

Christina Mesropian

10:00-10:30

Inclusive hard diffraction at HERA

Speaker

Alexander Proskuryakov

10:30
