Forward physics & low-x QCD

Session | Location: CERN, 503/1-001 - Council Chamber

08:30-08:50 **HERA results on small x and forward jets**

Speaker

Lev Khein

08:50-09:15 **Forward jets physics in ATLAS, CMS and LHCb**

Speaker

David d'Enterria

09:15-09:35 **Saturation**

Speaker

Emil Avsar

09:35-09:55 **Standard dilute BFKL**

Speaker

Florian Schwennsen

09:55-10:15 **Saturation in nuclei**

Speaker

Tuomas Lappi

10:15-10:30 **Small x related issues**

Speaker

Francesco Hautmann
