

**Session Program**

**29 June 2009 to 3 July 2009**

**EDS'09: 13th International Conference on  
Elastic & Diffractive Scattering**

***Contributions: cosmic ray physics***

CERN, 503/1-001 - Council Chamber

Friday 3 July

12:15

Contributions: cosmic ray physics

Session | Location: CERN, 503/1-001 - Council Chamber

12:15-12:35 HERA, LHC and cosmic rays

Speaker

Armen Bunyatyan

12:35-12:55

Unusual event alignment topologies in cosmic rays and expectation for the LHC

Speaker

Alexandre Snigirev

12:55
