

## **Session Program**

**29 June 2009 to 3 July 2009**

# **EDS'09: 13th International Conference on Elastic & Diffractive Scattering**

***Central Production, Higgs***

CERN, 503/1-001 - Council Chamber

## Thursday 2 July

08:30

### Central Production, Higgs

Session | Location: CERN, 503/1-001 - Council Chamber

08:30-08:50 **Exclusive high mass di-leptons in CDF**

**Speaker**

Michael Albrow

08:50-09:10 **Exclusive charmonium production at CDF**

**Speaker**

James Pinfold

09:10-09:30 **central exclusive chi-c production**

**Speaker**

Oleg Teryaev

09:30-09:55 **Central exclusive production: vector mesons, jets and Higgs**

**Speaker**

Jean-Rene Cudell

09:55-10:15 **Central Exclusive Higgs Production in the MSSM**

**Speaker**

Sven Heinemeyer

10:15-10:35 **Exclusive Higgs production in a triplet scenario**

**Speaker**

Katri Huitu

10:35
