

**Session Program**

**29 June 2009 to 3 July 2009**

**EDS'09: 13th International Conference on  
Elastic & Diffractive Scattering**

***Photon-Induced Physics***

CERN, 503/1-001 - Council Chamber

# Thursday 2 July

17:00

## Photon-Induced Physics

Session | Location: CERN, 503/1-001 - Council Chamber

17:00-17:20

### Ultra-peripheral Collisions in PHENIX

**Speaker**

Zaida Conesa Del Valle

17:20-17:40

### Ultra-peripheral Collisions in STAR

**Speaker**

Boris Grube

17:40-18:10

### Two-photon interactions at BELLE and BaBar

**Speaker**

Simon Eidelman

18:10-18:30

### Probing high gluon densities in UPC processes with production of J/psi

**Speaker**

Leonid Frankfurt

18:30-18:50

### Ultra-peripheral Collisions in CMS

**Speaker**

Jonathan Jason Hollar

18:50
