

Session Program

19-20 Feb 2004

DataGrid 3rd EU review

***Middleware Developments, Security, and
Summary***

CERN, IT Auditorium

Friday 20 February

09:00

Middleware Developments, Security, and Summary

Session | Location: CERN, IT Auditorium

09:00-09:15 Grid Workload Management

Speaker

Francesco Prelz

Location

CERN, IT Auditorium

Subcontributions

Discussion

09:25-09:40 Grid Data Management

Speaker

Peter Kunszt

Location

CERN, IT Auditorium

Subcontributions

Discussion

09:50-10:05 Information and Monitoring Services

Speaker

Steve Fisher

Location

CERN, IT Auditorium

Subcontributions

Discussion

10:15-10:30 Fabric Management

Speaker

Maite Barroso Lopez

Location

CERN, IT Auditorium

Subcontributions

Discussion

10:40-11:00 Coffee

11:00-11:15 Mass Storage Management

Speaker

Jens Jensen

Location

CERN, IT Auditorium

Subcontributions

Discussion

11:25-11:40 Network Services**Speaker**

Franck Bonnassieux

Location

CERN, IT Auditorium

Subcontributions

Discussion

11:50-12:20 Security**Speaker**

Dave Kelsey

Location

CERN, IT Auditorium

Subcontributions

Discussion

12:30-12:50 Summary of three years of technical work in the EU DataGrid**Speaker**

Erwin Laure

Location

CERN, IT Auditorium

12:50-13:10 Summary of the EU DataGrid project**Speaker**

Fabrizio Gagliardi

Location

CERN, IT Auditorium

13:10-14:00 Lunch

14:00
