8th ICATPP Conference on

Astroparticle, Particle, Space Physics, Detectors and Medical Physics Applications

Instrumentation as a tool for detection of radiation and effects of radiation in particle physics, astroparticle physics, space and medical applications
(Villa Olmo, Como 6-10 October 2003)

A special Covenant connects the A.Volta" Centre for Scientific Culture to the "Politecnico di Milano", the University of Milano, the University of Insubria and the University of Pavia and Brescia

Please note that for abstract submission:

Abstracts can be submitted at any time

The conference will be devoted to physics requirements, survey of technologies and performance of detectors employed (or to be employed) in particle (medium and high-energy) physics experiments at accelerators, underground laboratories, submarine facilities, and in space for astroparticle physics experiments and astrophysics research, special applications (medical imaging, radiotherapy, radiation effects on devices, etc) and new detectors.

Representatives from industries are welcome to present their products and to discuss present and future technologies and development. Meeting rooms and space for the display of products will be available at the conference Center. Space for poster display is also available on request. Phone lines and telefax will be there at disposal during the conference. Wireless access to the network will be provided.

Please be so kind to follow Web implemented procedures for [abstract submission](#), [registration](#) and [hotel booking](#).

Organizing Committee:

[E.Borchi, INFN and University of Florence](#)
[J.Huston, Michigan State University](#)
[C.Lerov, University of Montreal](#)
[P.G.Rancoita, INFN-Milano \(chairman\)](#)
[R.Ruchti, University of Notre Dame](#)

The Industry Organizing Committee

has been set to follow relationships with attending Companies and their representatives, issues on technology transfer among Research Institutions and Companies and the Exhibition at the Conference:

[M.Barone, Demokritos Athens](#)
[P.L.Riboni, ETHZ-Zurich](#)

The Article Committee

has been set to follow the article submission, review and publication in the Conference Proceedings:

[E.Borchi, INFN and University of Florence](#)
[C.Lerov, University of Montreal](#)
[P.G.Rancoita, INFN-Milano](#)

International Advisory Committee and Session Organizers :

[S.Baccaro, ENEA \(Rome\)](#)
[P.Binko, Observatoire de Geneve & Synspace](#)
[W.Braunschweig, Aachen](#)
[A.Breskin, Weizmann Institute](#)
[A.Capone, INFN and University of Rome1](#)
[K.Freudenreich, ETH-Zurich](#)
[S.Giani, CERN Geneva](#)
[E.Longo, INFN and University of Rome1](#)
[E.Nappi, INFN-Bari](#)
[S.Pospisil, IEAP CTU Prague](#)
[L.Price, ANL](#)
[T. J. Ruth, TRIUMF](#)
[A.Seidman, Tel Aviv University](#)
[F.Van Lingen, CERN](#)
[S.Volontè, ESA Paris](#)
[C.Waltham, University of British Columbia, Vancouver](#)
[P.Weilhammer, CERN Geneva](#)

Programme Committee:

Members of *Organizing Committee, Industry Organizing Committee and International Advisory Committee* constitute the Programme Committee

Conference secretariats:

information about registration: [Cristina Dolfi](#) (Florence)

information about hotel reservation: [Alessandra Cazzaniga and Chiara Stefanetti](#) (Villa Olmo, Como)

Forms:

The [registration form](#) and the hotel accomodation form are available on Web.

The procedures can be completed by Web only.

Any question regarding a paper for a session have to be directed to the [corresponding session organizer](#).

[Accessed 159 times since November 11th, 2002](#)

[Last modified](#): Sunday, 19-Jan-2003 10:32:08 CET

Only confirmed session organizers are displayed in this web page

Confirmed Plenary Session Organizers:

[P.Binko, Observatoire de Geneve & Synspace](#): Computing Progress and Industrial trend
[A.Breskin, Weizmann Institute](#): New Detectors
[J.Huston, Michigan State University](#): Selected papers
[L.Price, ANL](#): High Energy Physics Experiments
[R.Ruchti, University of Notre Dame](#): Open Session on Experimental Results
[T. Ruth, TRIUMF](#): Radiotherapy and Medical Imaging
[S.Volontè, ESA Paris](#): Space Experiments
[C.Waltham, University of British Columbia, Vancouver](#): Astroparticle and Underground Experiments

Confirmed Parallel Session Organizers:

[S.Baccaro, ENEA \(Rome\)](#): Radiation Damage
[W.Braunschweig, Aachen](#): Devices on non-Silicon Substrate
[A.Breskin, Weizmann Institute](#): New Detectors
[A.Capone, INFN and University of Rome1](#): Astroparticle and Underground Experiments
[K.Freudenreich, ETH-Zurich](#): Tracker and Silicon Tracker
[S.Giani, CERN Geneva](#): Software Applications
[C.Leroy, University of Montreal](#): Calorimetry
[E.Longo, INFN and University of Rome1](#): Homogeneous Calorimetry
[E.Nappi, INFN-Bari](#): Particle Identification
[S.Pospisil, IEAP CTU Prague](#): Medical Application Instrumentation
[L.Price, ANL](#): High Energy Physics Experiments
[R.Ruchti, University of Notre Dame](#): Open Session on Experimental Results
[F.Van Lingen, CERN](#): Information Technology
[S.Volontè, ESA Paris](#): Space Experiments
[P.Weilhammer, CERN Geneva](#): Microtracker

(1)

This form will allow to submit the Corresponding Author Information and a short (less than 10 lines) Abstract.
To complete the submission process, you must e-mail your Abstract and the Summary (not exceeding 2 pages and 4 MB size) in PDF or PS format to the Organizing Committee at the following address: conference2003@mib.infn.it

Invited speakers for Plenary or Parallel sessions are required to submit the less than 10 lines Abstract, but not the 2-4 pages Summary.

Authors can contact directly their [Session Organizers](#) for any question about the submitted paper.

(2)

In addition at the moment of registration:

Authors presenting a paper have to write both the Title and the name of the Contact Author in their Registration Form.

This Form has to be sent to the [Conference Secretariat](#).

The [Registration](#) is available on Web only.

Only Abstracts from registered Authors are eligible for oral presentation in Plenary or Parallel Sessions, or Open Sessions on Experimental Results at the Conference

Filling all the fields is compulsory, otherwise no e-mail will be sent for your Corresponding Author Information Form.

Accessed 344 times since January 19th, 2003

Last modified: Sunday, 19-Jan-2003 11:21:14 CET

This is an automatic procedure. Please do not reply to the WWW Webmaster sender: your e-mail will be rejected.

What we require from you are the following information: select a group of session for which your paper is best suited (select the Organizing Committee in case you are not sure about the most appropriate session), first and last name, your nationality, your Institution/Company, the mail address of your Institution/Company and finally your e-mail address. The final session selection of all the papers will be determined by the Organizing Committee in Agreement with Session Organizers.

8th ICATPP Conference on

Astroparticle, Particle, Space Physics, Detectors and Medical Physics Applications

Instrumentation as a tool for detection of radiation and effects of radiation in particle physics, astroparticle physics, space and medical applications

(Villa Olmo, Como 6-10 October 2003)

This script will allow you to register by Web
You will get back a copy of your registration by e-mail, as well.

Filling all the fields is compulsory, otherwise no e-mail will be sent for your registration.

Accessed 39 times since January 13th, 2003

Last modified: Wednesday, 15-Jan-2003 16:58:42 CET

By sending this e-mail you accept to pay for the registration fee on your arrival at the registration desk in Villa Olmo.

This is an automatic procedure. Please do not reply to the WWW Webmaster sender: your e-mail will be rejected.

At present the registration fee amounts to 400 Euro's (VAT included). Possibly, some new sponsorship can allow the Organizing Committee to slightly reduce this fee. As a consequence, you will be charged for the lowest possible amount independently of the time you have submitted your Web registration form.

Your registration fee includes the payment for the Conference Proceedings, material provided to you at the registration, coffee-breaks and social events (i.e. welcome cocktail party, Banquet).

Any late arrival, i.e. after the opening day, will not change the amount of the registration fee.

Registration Form

We need to know your name and affiliation:

First Name:

Last Name:

Nationality:

Institution/Company:

Address:

Zip code, Town and State:

Country:

your e-mail address:

Please, inform us in free format if you submit or do not submit a paper.

In case of paper submission:

write Authors, Title and Session(s), i.e. the information regarding your submitted abstract, and the name of the corresponding Author if appropriate

I wish to register for the 8th ICATPP Conference on
Astroparticle, Particle, Space Physics, Detectors and Medical Physics Applications
(Villa Olmo, Como 6-10 October 2003)

I will pay the sum of 400 Euro's (VAT included) for the Conference Fee or the reduced one (if new sponsorship allows for such a reduction) on my arrival at the registration desk in Villa Olmo. I am also informed that the amount of the registration fee does not change in case of any late arrival, i.e. after the opening day.

I am / am not interested to have a wireless connection to the network during the Conference.

I am aware that I can present only one article at the Conference.
