

**Session Program**

**19-23 Apr 2004**

**LCWS 2004**

***Machine-Detector Interface***

Le Carré des Sciences, Paris- France

# Wednesday 21 April

09:30

## Machine-Detector Interface

Session | Location: Salle B

09:30-09:50 **Energy Spectrometers**

**Speaker**  
Hildreth, M.

09:50-10:10 **Energy spread effects; energy precision**

**Speaker**  
Timothy Barklow

10:10-10:25 **Energy spectrum measurement at the extraction line**

**Speaker**  
Kubo, K.

10:25-10:40 **Luminosity spectrum extraction from Bhabha events**

**Speaker**  
Boogert, S.

10:40-11:00

**Reserve time used for discussion on how we want to organize future MDI work and collaboration**

**Speaker**  
Convenors and All

11:00
