

Session Program

5-7 May 2004

**4th RD50 Workshop on *Radiation hard
semiconductor devices for high luminosity
colliders***

***Full Detector Systems: I. Strip Detectors and
Detector Electronics***

CERN, 40-SS-C01

Thursday 6 May

14:00
16:00

Full Detector Systems: I. Strip Detectors and Detector Electronics
Session | Location: CERN, 40-SS-D01
