

Enabling Grids for  
E-science in Europe

## NA4 open meeting: introduction

V. Breton

# NA4 open meeting: goals

- To strengthen relationship and dialog with other EGEE activities
- To identify missing links and set up new information channels
- To get to know each other better within NA4
- To welcome new comers (unfunded partners, external applications, other european projects) and give them an opportunity to collect information on all the aspects of the project

# Program

- NA4/JRA1 session Friday morning about EGEE middleware
- SA1/NA4 session Thursday afternoon about experience in installing LCG2 middleware and VO administration
- NA4/SA2/JRA4 session Friday afternoon about networking issues
- General discussion Friday afternoon after 4.30pm:
  - Opportunity for newcomers to ask questions and to take contacts
  - Opportunity to discuss NA4 organization
  - AOB

# Final remark

- Plenty of time left for discussions: please don't leave without answers to your questions !!!

Thank you to the organizing committee  
for the nice invitation in Catania
