## **Session Program**

28-30 Jun 2004

## UK-DTI International Technology Service-GlobalWatch

## Grid technologies and EGEE

CERN, 513-1-070

## Tuesday 29 June

10:45-11:00       EGEE (overview)         Speaker       Robert Jones         Location       CERN, 513/R-070 - Openlab Space         11:00-11:15       Grid Middleware         Speaker       Robert Jones         Location       CERN, 513/R-070 - Openlab Space         11:15-11:30       Grid Deployment         Speaker       Ian Bird         Location       CERN, 513/R-070 - Openlab Space         11:30-11:45       Grid Security         Speaker       Ian Neilson         Location       CERN, 513/R-070 - Openlab Space
