

Session Program

25-29 Jul 2004

**International Workshop on Radiation Imaging
Detectors (IWORID04)**

Medical Imaging

Kelvin Building, University of Glasgow

Tuesday 27 July

09:00

Medical Imaging

Session | **Location:** Room 257

09:00-09:30

Invited talk - MRI vs. X-ray imaging

Speaker

Prof. Alex Elliott

09:45-10:00

Performances of different digital mammography imaging systems: evaluation and comparison

Speaker

M. G. Bisogni

10:00-10:15

Energy Dependence in Dental Imaging with Medipix

Speaker

B. Norlin

10:15-10:30

First DQE measurement of 500 um silicon hybrid pixel sensor with Photon Counting readout for X-ray medical imaging

Speaker

B. Surre

10:30
