

Session Program

25-29 Jul 2004

**International Workshop on Radiation Imaging
Detectors (IWORID04)**

Solid State Radiation Detectors

Kelvin Building, University of Glasgow

Monday 26 July

09:30

Solid State Radiation Detectors

Session | Location: Room 257

09:30-10:00

Invited talk - Semiconductor track detectors: a brief history from 0D to 3D

Speaker

Prof. Sherwood Parker

10:00-10:30

Invited talk - Diamond (Radiation Detectors) are for ever!

Speaker

Prof. Harris Kagan

10:30
