

Session Program

30 August 2004 to 4 September 2004

QCD at Cosmic Energies

***Discussion: Small- x soft and hard physics,
strong interactions modeling (1)***

Ettore Majorana Cente, Erice, Italy

Thursday 2 September

18:00

Discussion: Small- x soft and hard physics, strong interactions modeling (1)

Session | Location: Ettore Majorana Cente, Erice, Italy

18:00-18:30 **Introduction**

Speaker

Kaidalov, A.

18:30-19:00 **Evolution of the gluon saturation scale and CR airshowers**

Speaker

Dumitru, A.

19:00
