

Session Program

30 August 2004 to 4 September 2004

QCD at Cosmic Energies

Discussion: EW interactions at super-high energies and CRs; exotics

Ettore Majorana Cente, Erice, Italy

Thursday 2 September

16:00

Discussion: EW interactions at super-high energies and CRs; exotics

Session | **Location:** Ettore Majorana Cente, Erice, Italy

16:00-16:30

Introduction

Speaker

Klein, S.

16:30-17:00

The White-Pomeron, sextet quarks & cosmic rays

Speaker

Albrow, M.

17:00-17:30

Unified explanation of dark matter and baryon asymmetry

Speaker

Farrar, G.

17:30-18:00

Searching for CR exotics at the LHC

Speaker

Panagiotou, A.

18:00
