

Session Program

4-10 Nov 2004

HARD PROBES 2004

Future

Hotel Vila Gale, Ericeira, Portugal

Wednesday 10 November

09:00

Future

Session | Location: Hotel Vila Gale, Ericeira, Portugal

09:00-09:30

Present and future of low-x forward physics

Speaker

Leslie Bland

09:30-10:00

Heavy flavors and quarkonia at the LHC

Speaker

Philippe Crochet

10:00-10:30

Jet physics in nuclear collisions at the LHC

Speaker

Bolek Wyslouch

10:30-11:00

Coffee Break

11:00-11:30

The future of hard and electromagnetic probes at RHIC

Speaker

John Harris

11:30-12:00

The future of hard and electromagnetic probes at the SPS

Speaker

Hans J. Specht

12:00-12:30

The future of Lattice QCD calculations for Heavy Ion collisions

Speaker

Frithjof Karsch

13:00
