

Session Program

16-17 Feb 2004

dress review rehearsal

Middleware Developments, Security, and Summary

CERN, IT Auditorium

Tuesday 17 February

12:20

Middleware Developments, Security, and Summary

Session | **Location:** CERN, IT Auditorium

12:20–12:35 Grid Workload Management

Speaker

Francesco Prelz

Location

CERN, IT Auditorium

Subcontributions

Discussion

12:45–13:00 Grid Data Management

Speaker

Peter Kunszt

Location

CERN, IT Auditorium

Subcontributions

Discussion

13:10–14:00 Lunch

14:10–14:25 Grid Monitoring Services

Speaker

Steve Fisher

Location

CERN, IT Auditorium

Subcontributions

Discussion

14:35–14:50 Fabric Management

Speaker

Maite Barroso Lopez

Location

CERN, IT Auditorium

Subcontributions

Discussion

15:00–15:15 Mass Storage Management

Speaker

Jens Jensen

Location

CERN, IT Auditorium

Subcontributions

Discussion

15:25-15:45

Coffee

15:55-16:10

Network Services

Speaker

Franck Bonnassieux

Location

CERN, IT Auditorium

Subcontributions

Discussion

16:20-16:40

WP9 Progress and Testbed Evaluation

Speaker

Luigi Fusco

Location

CERN, IT Auditorium

Subcontributions

Discussion

17:00-17:20

Summary of three years of technical work in the EU DataGrid

Speaker

Erwin Laure

Location

CERN, IT Auditorium

17:30
