

Session Program

17-21 Jan 2005

HERA - LHC workshop working group week

***WG4: Diffractive factorization breaking in pp
and ep collisions***

CERN

Monday 17 January

15:00

WG4: Diffractive factorization breaking in pp and ep collisions

Session | Location: CERN, 40-SS-A01

15:00-15:20

Survival probability for central two jets production at the LHC

Speaker

Alex Prygarin

Location

CERN, 40-SS-A01

15:30-15:50

Discriminative Distributions for Diffraction

Speaker

Michael Klasen

Location

CERN, 40-SS-A01

16:00-18:00

Discussion

Speaker

All

Location

CERN, 40-SS-A01

18:00
