

## **Session Program**

**17-21 Jan 2005**

**HERA - LHC workshop working group week**

***WG4: Forward detectors in the cold region of  
LHC***

CERN

## Tuesday 18 January

09:00

### WG4: Forward detectors in the cold region of LHC

Session | Location: CERN, 40/2-A01

09:00-09:40

#### The ATLAS Luminosity System

**Speaker**

Per Grafstrom

**Location**

CERN, 40/2-A01

10:00-10:40

#### Forward Detectors in the Cold Region

**Speaker**

Brian Cox

**Location**

CERN, 40/2-A01

11:00-11:30

#### The Integration of the 420m Detectors into LHC

**Speaker**

Daniela Macina

**Location**

CERN, 40/2-A01

11:45
