

Session Program

5-7 Apr 2004

UK Institute of Physics: Particle Physics 2004

Parallel VIII: GRID and Computing

Birmingham, UK

Wednesday 7 April

11:00

Parallel VIII: GRID and Computing

Session | **Location:** West Seminar Room

11:00-11:15

Simulation of Replica Optimisation Strategies for Data Grids

Speaker

David Cameron

11:15-11:30

Storage Management on the Grid

Speaker

Alasdair Earl

11:30-11:45

Running BaBar Jobs on the Grid using gsub and AliBaBa

Speaker

Mike Jones

11:45-12:00

A web based submission tool for a Physics Computing Cluster

Speaker

David Jones

12:30
