

7th International Conference on Position Sensitive Detectors

Monday 12 September 2005

S2 : Pixel Detectors for Charged Particles (16:00 - 17:30)

time	[id] title	presenter
16:00	[0] Solid State Detectors for Charged Particles	Dr LUTZ, Gerhard
16:30	[99] Test beam measurements of the performances of the production modules of ATLAS Pixel Detector	Dr ANDREAZZA, Attilio
16:45	[74] R&D on MAPS Detectors for High Energy Physics	Dr TURCHETTA, Renato
17:00	[11] Beam Test and Simulation of Prototypes for the ALICE Silicon Pixel Detector	Dr CONRAD, Jan
17:15	[51] The DEPFET Prototype System for the ILC Vertex detector: Test beam Measurements	Dr REUEN, Lars
