

**Session Program**

**25-27 May 2005**

# **GEANT4 Tutorial 2005**

## ***DAY 1***

CERN, Geneva, Switzerland

# Wednesday 25 May

09:00

## DAY 1

**Session** | **Location:** CERN, Geneva, Switzerland, 593-R-010

09:00–12:30

### Morning

**Location**

CERN, Geneva, Switzerland, 593-R-010

**Subcontributions****Welcome****Speaker**

Dr John Apostolakis

**General Introduction and Overview****Speaker**

Makoto Asai

**Introducing interactive commands and visualisation****Speaker**

J. Allison

**Break****Choosing Units and Material****Speaker**

Dr Gabriele Cosmo

**Creating a Geometry****Speaker**

Dr Gabriele Cosmo

**Getting started hands-on (installation : verifying & correcting, first example)**

14:00–17:30

### Afternoon

**Location**

CERN, Geneva, Switzerland, 593-R-010

**Subcontributions****Introduction to exercises & documentation****Exercise on geometry/materials****Electromagnetic Fields****Speaker**

Dr John Apostolakis

**Basics of Primary Particle and Tracking**

**Speaker**

Makoto Asai

**Exercise on EM Field**

**Exercise - open issues, tracking particles in set up created**

17:30
