

Enabling Grids for E-scienceE

All Activity Meeting Introduction

Fabrizio Gagliardi – Project Director

Bob Jones – Technical Director

19-20/05/2005

www.eu-egee.org

INFSO-RI-508833

- Thanks again for the good work for the review and subsequent follow-up work
- EU Review responses to recommendations received by the EU – not sure they are entirely convincing
- NA1 deliverable rejected and resubmitted – fine now
- 4th QR and PM12 deliverables sent
- *Issue:* Contract Amendment on hold - PEB must revise its plans for the next 15 months – EU payment suspended

- **Call open for Phase 2 proposal – closes 7th September**
- **Editorial Board nominated by the PMB:**
 - Fabrizio Gagliardi
 - Bob Jones (Chair)
 - Fotis Karayannis
 - Dieter Kranzlmüller
- **First meeting held yesterday, 18th May**
- **Follow on: PMB meetings on June 10th, July 1st and July 12th - 13th**
- **All Activity Meeting July 5th – 6th dedicated to Phase 2 preparation**
- **Conference in Pisa October 24th to 28th**
- **Next intermediate review scheduled in December (tentative 5th – 7th)**

- **Quarterly Report Process working well**
 - Use given templates and instructions
 - Make it lighter!
- **This goes for all documentation for the EU**
 - Keep it factual and concise, must be good enough to justify EU continued financial support
 - – QA is essential since EGEE is being scrutinized by the EU court of auditors, no bending of rules allowed this time
- **AA meeting agenda, focused on gLite: Let's get to work**
