

# PPARC UK e-Science Postgraduate School

## Monday, 9 May 2005

### Day 1: Concepts and production grids (09:00 - 17:00)

time	[id] title	presenter
09:00	[1] Introductions	
09:30	[5] Introducing Grid Computing	MIKE MINETER
10:00	[8] EGEE: enabling grids for e-science	
10:15	[6] The National Grid Service	
10:30	Coffee	
11:00	[7] Practical: gaining access to the NGS	GUY WARNER
12:00	[2] Practical: job submission to the NGS	
12:30	Lunch	
13:30	[3] Practical continues	
15:00	Coffee	
15:30	[9] Grid middleware: from toolkits to production grids	
16:00	[10] Practical: Using a portal onto GILDA, an EGEE demo grid	
16:50	[4] End of day review
