

Session Program

2-4 Jun 2005

6th RD50 - Workshop on Radiation hard semiconductor devices for very high luminosity colliders

New Structures

Physicum campus, University of Helsinki, Finland, 0--E204

Saturday 4 June

10:30

New Structures

Session | Location: Helsinki, Finland, 0--E204

10:30-10:50

New Single-sided 2d and (2+3)d Stripixel Detectors: Concept, Simualtion, and Design

Speaker

Zheng Li

Location

Helsinki, Finland, 0--E204

10:50-11:10

Annealing studies on Sintef sensors

Speaker

daniela bortoletto

Location

Helsinki, Finland, 0--E204

10:50-11:10

Measurement of MCz sensors

Speaker

daniela bortoletto

Location

Helsinki, Finland, 0--E204

11:10
