

New fabrication of 3D detectors, np and pn devices

Tuesday 11 November 2008 16:20 (20 minutes)

I will report on the fabrication of new 3D detectors and the future plan for bump bonding Atlas pixels and Medipix2 chips.

Author: Dr PELLEGRINI, Giulio (Centro Nacional de Microelectronica CNM-IMB-CSIC)

Presenter: Dr PELLEGRINI, Giulio (Centro Nacional de Microelectronica CNM-IMB-CSIC)

Session Classification: 3D detectors & other new detector structures
