

## **Session Program**

**11-13 Apr 2005**

# **LHC Machine Protection Review**

## ***Dumping the beam***

CERN, building 40

# Monday 11 April

16:00

## Dumping the beam

Session | Location: CERN, 40-SS-C01

16:00-16:30

### Beam Dumping System - design and safety

**Speaker**

Dr Jan Uythoven

16:45-17:05

### Beam Dumping system - failure scenarios

**Speaker**

Dr Brennan Goddard

17:15-17:35

### Safe beam energy tracking

**Speaker**

Dr Etienne Carlier

17:45-18:00

### Transverse damper

**Speaker**

Dr Wolfgang Hofle

18:30
