

## **Session Program**

**11-13 Apr 2005**

# **LHC Machine Protection Review** ***Events leading to beam losses***

CERN, building 40

## Tuesday 12 April

11:10

### Events leading to beam losses

Session | Location: CERN, 40-SS-C01

11:10-11:30

#### Failures in magnet and powering systems

**Speaker**

Dr Rudiger Schmidt

11:40-11:55

#### Objects that can move into the beam

**Speaker**

Dr Rossano Giachino

12:05-12:20

#### Fast kickers (tune and aperture)

**Speaker**

Dr Jan Uythoven

12:30
