

Session Program

17-19 Oct 2005

**LCG Database Deployment and Persistency
Workshop**

***LCG Software Projects - Experiment
Experience***

CERN, IT Auditorium

Wednesday 19 October

09:00

LCG Software Projects - Experiment Experience

Session | **Location:** CERN, IT Auditorium

09:00-09:30 POOL status and plans (including POOL/RAL)

Speaker

Giacomo Govi

Location

CERN, IT Auditorium

09:30-10:00 ROOT and database access

Speaker

Rene Brun

Location

CERN, IT Auditorium

10:00-10:20 COOL status and plans

Speaker

Andrea Valassi

Location

CERN, IT Auditorium

10:20-10:50 Coffee Break

10:50-11:10 COOL Performance and Scalability Tests (T0)

Speaker

David Front

Location

CERN, IT Auditorium

11:10-11:30 COOL: Further Performance Studies

Speaker

Andrea Valassi

Location

CERN, IT Auditorium

11:30-12:00 ATLAS Experience from DC2 and Rome Production

Speaker

Sasha Vaniachine / David Malon

Location

CERN, IT Auditorium

13:00
