

VIII Workshop on Resistive Plate Chambers and Related Detectors

Wednesday 12 October 2005

Plenary Session X (Applications) (10:20 - 11:20)

time	[id] title	presenter
10:20	[18] Resolution studies on a small animal RPC-PET prototype	A. BLANCO
10:40	[19] Sensitivity of the hybrid resistive plate chamber to low energy neutrons	B. HONG
11:00	[20] RPCs in biomedical applications	M. NECCHI
