

Write-up: Heavy quark PDFs

coordinated by F.Maltoni, A.Tonazzo

- Contents:
 - Interest and perspectives of HQ PDFs measurement at HERA and LHC
 - Impact of HERA data on predictions for LHC
- Possible contributions
 - J.Stirling "PDFs: from HERA to LHC", 26/03/04 plenary
 - M.Wing "Heavy Quarks", 26/03/04 plenary
 - M.Wing "Charm and beauty structure functions from HERA", 26/03/04
 - S.Kretzer "HF PDF theory and application to LHC", 26/03/04
 - F.Maltoni "The role of bottom pdfs in Higgs and boson production", 11/10/04
 - A.Tonazzo "Z+b at LHC", 11/10/04 and 21/03/05
 - ... anyone we missed ?
- People willing to contribute, please contact us
