Plenary Session

Fermilab

Thursday 20 October

08:30

Plenary Session

Session | Location: Fermilab, One West

08:30–09:00

Challenges in searching for new physics scenarios

Speaker

Tao Han

09:00–09:30

Z-prime searches: the Tevatron/LHC synergy

Speaker

Michael Schmitt

09:30–10:00

Single Top: From the Tevatron to the LHC

Speaker

Reinhard Schwienhorst

10:00–10:30

Physics at the LPC

Speaker

Boaz Klima

10:30–11:00

Coffee

11:00–11:30

MSSM Higgs Searches and rare B decays

Speaker

Carlos Wagner

11:30–12:00

Searches for MSSM Higgs at the Tevatron

Speaker

Anton Anastassov

12:00–12:30

The Tevatron and WBF at the LHC

Speaker

Michael Duehrssen

12:30–13:30

Lunch

13:30–16:00

Working Group Meetings

15:30–16:00

Coffee

16:00–18:00
