09:30

Session 1: K-physics-1

Session | Location: Lecture Theatre Faraday Auditory

09:30-09:55 **Theory review on rare K decays: SM and beyond**

Speaker

Dr Christopher Smith

09:55-10:20 **Status report on rare K decays : experiments**

Speaker

Dr Tadashi Nomura

10:20-10:45 **Rare Radiative Decay Results From KTeV**

Speaker

Dr Hogan Nguyen

10:45-11:10 **Highlights on neutral K decays**

Speaker

Dr Claudio Gatti

11:10-11:30 **Coffee break**

11:30-11:55 **Status report on CP violation with charged kaons**

Speaker

Dr Gianmaria Collazuol

11:55-12:20 **Low energy dynamics and scattering lengths with K**

Speaker

Prof. Giuseppina Anzivino

12:20
