

First Workshop on Data Preservation and Long Term Analysis in HEP

Tuesday 27 January 2009

Reports from Past Experiences of Data Preservation - Seminar 4 (EVO) (09:30 - 12:45)

time	[id] title	presenter
09:30	[11] Experience from re-analysis of PETRA (and LEP) Data	BETHKE, Siegfried
09:55	[30] Experience from the LEP Higgs Working Group	IGO-KEMENES, Peter
10:20	[12] Data Conservation at LEP (ALEPH, DELPHI, L3)	HOLZNER, Andre Georg
10:40	[40] Data Conservation at LEP (OPAL)	SCHROEDER, Matthias
11:00	Coffee + photograph	
11:45	[29] Management of Astronomical Data Archives and their Interoperability through the Virtual Observatory Standards	Prof. PASIAN, Fabio
12:10	[10] Challenges in Long Term Computing Models and ROOT Solutions	BRUN, Rene
