

# EUROnu Annual meeting

## Tuesday, 24 March 2009

### WP6 Parallel Session - 1/1-025 (09:00 - 12:30)

time	[id] title	presenter
09:00	[49] NSI from individual dim. 6 and 8 effective operators	
09:30	[50] Model requirements for large NSI from dim. 6 and 8 eff. operators	
10:00	[51] Neutrino mass and LHC (overview)	
10:30	[52] Coffee break	
11:00	[53] Short baseline electron neutrino disappearance	
11:30	[54] Limits on sterile neutrinos from cosmology and oscillation data	
12:00	[55] Search for heavy Majorana neutrinos
