

New Instruments for Neutrino Relics and Mass

Monday, December 8, 2008

Theory and Cosmology - 6-2-024 AB Auditorium (2:00 PM - 3:15 PM)

time	[id] title	presenter
2:00 P	[M] The electron endpoint from accelerated ions - a new route to the neutrino mass scale?	ORME, Christopher
2:25 P	[M0] Measuring the neutrino mass from large scale structure	Prof. HANNESTAD, Steen
2:50 P	[M1] The GSI anomaly and neutrino mixing	Prof. LINDNER, Manfred
