

**Session Program**

**7 July 2015**

**FET-OPEN proposal: HTS Fast Cycled Magnet**  
***Proposal preparation***

CERN, 123  
Room 331

## Tuesday 7 July

15:00

### Proposal preparation

Session | Location: CERN, 123, Room 331

15:00-15:25 **Expected targets and technological breakthroughs**

15:25-15:50

**Discussions on other applications (Hadron therapy, gantries, power transport, magnetic separation)**

15:50-16:15 **Possible project organization, cost breakdown and schedule**

16:15-16:30 **Next steps**

16:30
