

## 38th INTERNATIONAL CONFERENCE ON HIGH ENERGY PHYSICS

AUGUST 3 - 10, 2016  
CHICAGO

Contribution ID: **1803**

Type: **Oral Presentation**

# Lunch & Learn: Engaging the public, how to make an impact.

*Friday 5 August 2016 13:40 (45 minutes)*

Publicly funded science requires a public that values research. Physicists with expertise in public outreach will have small informal discussions with groups of people interested in learning how to engage the public.
