LHCb Collaboration*

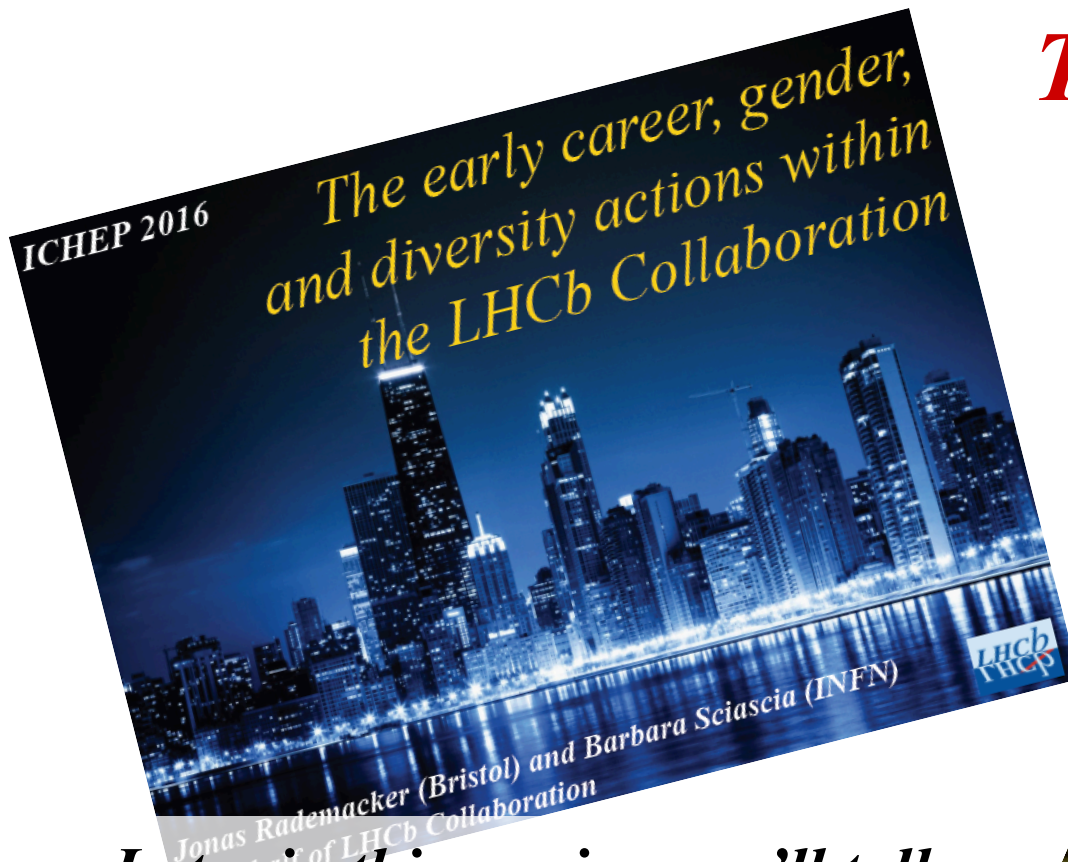

LHCb ECGD office

- In 2014, LHCb introduced an Early Career, Gender and Diversity Office
- The first one of its kind at the LHC (and as far as we know, any HEP experiment)

The talk and the poster

*Later in this session, we'll talk about our experience as first ECGD officers in the first ECGD office, including:
Why was it introduced?
What did we do?
How did the collaboration react?*

*Poster session,
Monday, 6.30 pm:
come and continue discussing
and sharing experience.*
