Session Program

1–3 Feb 2016

2016 WLCG Collaboration Workshop

Medium Term Evolution

ISCTE-IUL - University Institute of Lisbon
Av. das Forças Armadas, 1649-026 Lisboa, Portugal

Monday 1 February

09:20

Medium Term Evolution: Compute
Session |
Location: ISCTE-IUL - University Institute of Lisbon, Av. das Forças Armadas, 1649-026 Lisboa, Portugal |
Convener: Oxana Smirnova

09:20–09:25 **Introduction**

Speaker
Oxana Smirnova

09:25–09:45 **Exploiting HPC for HEP workloads**

Speaker
Rodney Walker

09:45–10:05 **Plugging Cloud and VM-based resources into WLCG**

Speaker
Andrew McNab

10:05–10:40 **Discussion**

10:40

11:00

Medium Term Evolution: Security and Trust Model
Session |
Location: ISCTE-IUL - University Institute of Lisbon, Av. das Forças Armadas, 1649-026 Lisboa, Portugal |
Conveners: Ian Peter Collier, Ian Neilson

11:00–11:10 **Overview Medium-Term Issues in Security and Trust Model**

Speaker
Ian Peter Collier

11:10–11:20 **Lightning: Trust Fabric Evolution**

Speaker
David Groep

11:20–11:30 **Lightning: New paradigms for academic computing security**

Speaker
Romain Wartel

11:30–11:40 **Lightning: Security in evolving infrastructures**

Speaker
Sven Gabriel

11:40–11:50 **Lightning: Trust model between experiments and sites**

Speaker
Alessandro Di Girolamo

11:50–12:30 **Discussion**

Speakers
Ian Neilson, Ian Peter Collier

12:30

14:00

Medium Term Evolution: Data

Session |
Location: ISCTE-IUL - University Institute of Lisbon, Av. das Forças Armadas, 1649-026 Lisboa, Portugal |
Convener: Dirk Duellmann

14:00–14:05 **Intro**

Speaker
Dirk Duellmann

14:05–14:20 **Summary of experiment medium term input**

Speaker
Simone Campana

14:20–14:35 **Site input on medium term storage evolution**

Speaker
Samuel Cadellin Skipsey

14:35–14:50 **Storage systems - medium term opportunities**

Speaker
Andreas Joachim Peters

14:50–16:00 **Discussion**

16:00

Medium Term Evolution: Data

Session |
Location: ISCTE-IUL - University Institute of Lisbon, Av. das Forças Armadas, 1649-026 Lisboa, Portugal |
Convener: Dirk Duellmann
