

Session Program

5-11 Feb 2017

Quark Matter 2017

***Plenary Session I: Equilibration, flow and QGP
parameters***

Hyatt Regency Chicago
151 East Wacker Drive Chicago, Illinois, USA, 60601

Sunday 5 February

14:00

Plenary Session I: Equilibration, flow and QGP parameters

Session | **Location:** Hyatt Regency Chicago, 151 East Wacker Drive Chicago, Illinois, USA, 60601 | **Convener:** Berndt Mueller

14:00–14:30 **Collective flow from pp to AA**

Speaker

Wei Li

14:30–15:00 **Determination of QGP parameters from global Bayesian analysis**

Speaker

Prof. Steffen A. Bass

15:00–15:30 **Equilibration and hydrodynamics at strong and weak coupling**

Speaker

Wilke van der Schee

15:30–16:00 **Jet energy loss and equilibration**

Speaker

Korinna Christine Zapp

16:00
