

Quark Matter 2017

Thursday 9 February 2017

Plenary Session III: Search for Critical Phenomena and Chiral Anomalies in Heavy-ion Collisions (11:30 - 13:30)

-Conveners: Nu Xu

time	[id] title	presenter
11:30	[211] Search for critical behavior -- status and future	CAINES, Helen
12:00	[212] Search for chiral anomaly effects -- status and future	SORENSEN, Paul
12:30	[213] Lattice QCD results on soft and hard probes of strongly interacting matter	Dr KACZMAREK, Olaf
13:00	[214] Beam energy scan theory: status and open questions	PETERSEN, Hannah
