

Session Program

21-23 Sept 2015

Collaboration meeting on DS 11T Dipole grounds

Part I - Original plan and design aspects

CERN, 927/1-B23
Fermilab

Monday 21 September

08:30

Part I - Original plan and design aspects

Session | **Location:** CERN, 927/1-B23, Fermilab

08:30-08:45

Welcome address and original plan at Fermilab

Speaker

Alexander Zlobin

08:45-09:45

From functional requirements to conceptual design

Speakers

Bernhard Auchmann, Mikko Karppinen

09:45-10:00

Mechanical structure and analysis Fermilab

Speaker

Igor Novitski

10:00
