Thanks !

to Anna Mackney for helping with administrative matters

to Ans for looking after the technicalities in this room

to Malika for dealing with hostel, transport, etc. etc.

to Malika and Jean-Claude for organising the "events"

to the international organising committee

to all of you, for your participation

Many thanks !

to all of you: you helped us designing
and building the CNGS beam...

... in NBI workshops, reviews, meetings,
during visits, discussions, with e-mails ...

... and now: enjoy this workshop
