

Welcome to this new edition

of the  Workshop!

ISOLDE Workshop 2-4Th of December 2015

- Many participants > 120
- **Tonight the poster session** with refreshments.
- Tomorrow during morning coffee break the **Group Photo**
- Tomorrow our special topic → Neutrino Physics Today.
- Workshop Dinner at the Bois Joly, Crozet, France with entertainment provided by a Jazz band.
- CAEN will provide funds for 4 prizes to young researchers contributing to the Workshop with posters or short talks.

Acknowledgement

- Miguel Madurga and Stephan Malbrunot to help with the talks

- Jennifer Weterings who every year facilitates and makes this meeting easy to organise as she takes care of most of the details.

- Thanks to the colleagues that have agreed to become conveners. I rely on them to keep the time and foster lively discussions.
- Thanks to the members of the committee that will have to identify the best communicators of our young community.

Announcements

- Organized visit to the ISOLDE hall
 - Friday at 14h.
 - ✓ If you are interested please send an e-mail to Kara Lynch:
 - kara.marie.lynch@cern.ch
- The DG , Prof Rolf Heuer, will handle the CAEN prizes to the young researchers at the Closing of the ISOLDE workshop.
