Vector boson production

Session | Location: CERN, 4/3-006 - TH Conference Room

11:45-12:00 **Introduction**

12:00-12:30 **Vector pair cross sections at 100 TeV**

Speaker
Dirk Rathlev

12:30-12:55 **TGCs sensitivity from WW production at 100 TeV**

Speaker
Paolo Nason

12:55-13:25 **WW+jet at NLO**

Speaker
Tania Natalie Robens
