

FCC Week 2016

ROME 11-15 April

Chairs of the Organizing Committee: Michael Benedikt (CERN)
Frank Zimmermann (CERN)
Chair of the Local Organizing Committee: Manuela Boscolo (INFN-LNF)

More than 430 participants have registered for the FCC Week 2016.

Follow the programme, latest news, social media channels and webcast at cern.ch/fccw2016.

Get your presentation ready (aspect ratio 4:3, screen resolution 1027x768) and upload it to Indico on time. Please factor in upload permission and network connection issues!

Follow the **daily schedule online** on your computer and portable device at cern.ch/fccw2016/schedule.

Plenary sessions on Monday and Friday will be webcast. Connection details can be found on the Indico site

The public event “**Discovery Machines**” (in Italian with simultaneous translation to English) with significant participation from high level representatives from the worlds of science, politics and industry takes place on Thursday evening in the Auditorium of Rome. Tickets are still on sale (www.auditorium.com/eventi/scienza).

Submit papers to the FCC Week 2016 edition of the peer-reviewed journal **Phys. Rev. ST - Accelerators & Beams** (journals.aps.org/prstab) now.

The **FCC Innovation Award** for highly innovative and high impact research will be handed over to an early stage researcher showing during the **poster session**.

We are looking forward to seeing you in Rome soon!

Important date:

10 Apr. 2016: Start of on-site registration

THE CONFERENCE VENUE

The Conference Venue

Crowne Plaza Rome-St. Peter's, Via Aurelia Antica 415, I – 00165 Rome,
Tel.+ 39 06 6642 115/141/114; stpeters@hotel-invest.com;
www.hotel-invest.com

The hotel is located within a short distance of the centre of Rome (4 km/2.49 miles).

You can easily reach the hotel from the airport by taxi or by using the hotel's airport shuttle bus.

Taxi

The easiest way to reach the hotel from the airport is by taxi: **Indicate to the driver that the hotel (Crowne Plaza in Via Aurelia Antica) is outside the city walls** to avoid a fixed charge of 50 Euro per trip between airport and city.

Taxi contact (used to collaborate with INFN): tel. +39 349 05 76 717, email: info@italyontravel.com

Shuttles: www.hotel-invest.com/wp-content/uploads/2016/03/CPSTP-Navetta-estiva-new-20161.pdf
Airport shuttle bus (15 euro/person). **Reserve via e-mail to the Crowne Plaza hotel at least 12 hours in advance.** Shuttle leaves at fixed times and takes 25 minutes from FCO airport to hotel. It takes about 20 minutes to reach the shuttle from exiting the airplane: Leave terminal, follow pedestrian walk to right (never cross road) until bus parking 30. Standard bus is 20 places (15 persons with luggage). A larger bus or a second bus are scheduled in case of need. Cost will be charged directly on your room bill. Be informed that in case of no show the service will still be charged.

Private airport (FCO or/and CIA) transfers can be arranged by the hotel at the following prices:

One way:

- Up to 2 persons + 2 luggage & 1 hand luggage: €65.00
- From 3 to 6 persons €85.00 (minivan)

If you decide to reserve the private transfer please forward a credit card number, as guarantee, and flight details (Airline Company, flight number departure and arrival airport). Payment will have to be settled directly with the car driver (Cash or Credit Card).

In this case the driver will meet you just outside the customs area, inside the Arrival Hall; he will have a board with your name on it.

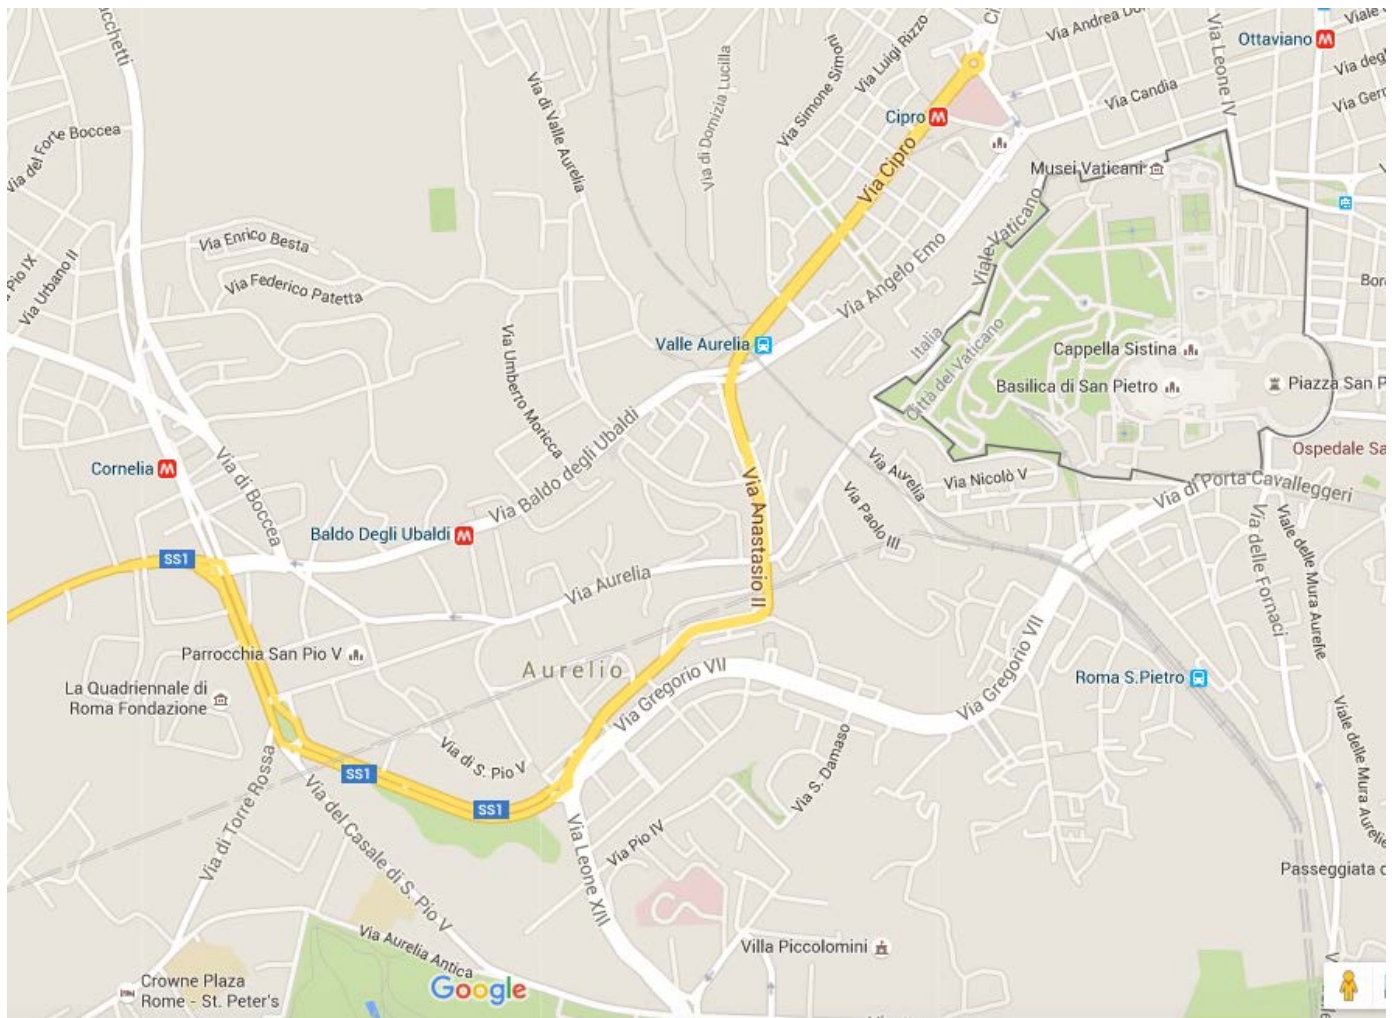

Transport to city centre

Tickets for public transport can be bought in the hotel (2 Euro per ticket), or at newstands, some bars and all metro stations (1.5 Euro, 100 minutes free ride time). Also available are 24h, 48h and 72h passes, that can also be purchased online. Special prices for the combination with

museum entrance are available with the RomaPass (<http://www.romapass.it/?l=en>). More information in the city public transportation company web site (<http://www.rome.info/transportation/>).

Public bus stops directly outside of hotel. Take either 98 and 881 to goto St. Peter (Porta Cavalleggeri stop) and the city centre (terminus stop). To reach the Metro line A (useful to reach Termini rail station) take either bus 889 to metro station "Cornelia" (4 stops) or bus 892 to metro station "Baldo Delgi Bualdi" (4 stops). See maps below for details and major Rome landmark reachable by bus.

Hotel shuttles go to Via Leone (Vatican) and St. Peter's square in the morning and to Ponte Sisto in the afternoon for 1.5 Euro per direction.

SCIENTIFIC PROGRAMME

- Programme at a glance: <http://fccw2016.web.cern.ch/fccw2016/FCCWeek2016Agenda.htm>
- Detailed programme: <http://indico.cern.ch/event/438866/>
- Poster session from Monday to Thursday
- During the event, an on-line schedule will be displayed at: <http://cern.ch/fccw2016/schedule>
- Refereed publication of papers: <https://indico.cern.ch/event/438866/page/6401-call-for-papers>
- **For presenters:** Presentation screen resolution and aspect ratio: 1024 x 768, 4:3. Poster size: A0 vertical. No particular template.

Plenary sessions on Monday and Friday will be webcast. Links will be on cern.ch/fccw2016

FCCWeek2016 PAPER SUBMISSION

1: Submit a paper to the FCCWeek2016 special edition of Physical Review – Accelerators and Beams (PRAB) directly at the submission portal: <http://publish.aps.org/ESUB/> **before 10 July.**

2: Indicate that the paper is for the **FCCW2016 Special Edition.**

3: Inform the Special Edition Editor at fccw20160-prab@cern.ch

More info: indico.cern.ch/event/438866/page/6401-call-for-papers

SOCIAL EVENTS

WELCOME RECEPTION, Monday, 11 April, Time: 20:00-22:00

Location: Crowne Plaza Rome – St. Peter's hotel (Winter Garden)

Entrance with badge only. Conference registration includes 2 beverage tickets to be handed over for drinks. Additional tickets within limits can be purchased from selected persons during the reception.

GUIDED TOUR, Tuesday, 12 April, Time: 19:00-21:00

Sistine Chapel: entrance entitles you to a free visit of the Vatican museum after the tour. One way bus transfer only from Crowne Plaza hotel to museum is organized (to allow people to stay in the centre of Rome after the visit).

GALA DINNER, Wednesday, 13 April, Time: 20:00 – 23:00

Location: Crowne Plaza Rome – St. Peter’s hotel (Winter Garden)

Entrance with badge only. Coloured banquet tickets handed out during registration indicate the type of food (regular, vegetarian, special).

The FCC Innovation Awards will be given during the banquet. The prizes will only be awarded to persons present. The paper and poster presenters are therefore reminded to be present.

PUBLIC EVENT, Thursday, 14 April, Time: 21:00 – 23:00

“Macchine per scoprire”, sotto l’Alto Patronato dell Presidente della Repubblica

<http://fccw2016.web.cern.ch/fccw2016/publicevent.html>

Location: Auditorium Parco della Musica, Sala Sinopoli, Via Pietro de Coubertin, 30, 00196 Roma

Bus transfer to and from the Auditorium will be organized. Participants must bring their Event Pass or Event Pass+ (part of your registration package).

Simultaneous translation from Italian to English will be provided, and the event will be webcast:

<https://indico.cern.ch/event/514274/>

PRACTICAL INFORMATION

Weather

In Spring, the temperature is usually mild (T max. media in April 18,6 °C=65.48°F).

Tourist info

More tourist information is available at <http://www.turismoroma.it/>

Electricity

<http://www.power-plugs-sockets.com/italy>

Voltage: 220-240 V

Frequency 50 Hz

Power sockets: F/L

Type F: This socket also works with plug C and E

Type L: This socket works with plug C

Area code

- For Italy: 0039 / +39
- For Rome: 06

Wifi – Eduroam (www.eduroam.org)

It is strongly recommended to register on Eduroam at your institute before you leave as we intend to setup this secure, world-wide roaming access service at the conference venue. This would provide an immediate internet access without further administrative formalities.

More info from CERN: <https://information-technology.web.cern.ch/book/eduroam-cern-users>

More info from INFN: <https://web.infn.it/windows/index.php/istruzioni/wireless>
