ZEA Partner network explained

Tuesday 4 July 2006 11:35 (30 minutes)

The partnership of Zea (www.zeapartners.org) is focused on growing open source and open source business by pooling resources for collective action as promotion and projects.

With 20 partner companies in 11 countries, ZEA provides a broad reach of expertise in content management. The ZEA network currently totals a combined staff of over 150 employees and a turnover in excess of € 9 million.

The talk will investigate the challenges facing network of Sme's, the strategy and actions of Zea Partners.

The speaker Xavier Heymans is CEO of Zea Partners.
