

CERN Colloquium

SPEAKER: Dr. Michael GEYER (Abengoa Solar SA)
TITLE: **PS10: First attempt to commercial solar energy in the world**
DATE: Thu 30/10/2008 16:00
PLACE: Main Auditorium**

ABSTRACT

The field of solar energy research has reached a level of maturity where truly commercial applications can be envisaged. The fascinating story of one of the first prototypes will be presented.

PLEASE NOTE UNUSUAL TIME: The Colloquium will begin at 16:00
